— need a ride? book daxido! —

PRE-SEED / OCTOBER 2026

Zero-commission rides. Bengaluru first.

A bootstrapped ride-hailing platform for autos and cabs.
Raising ₹5 crore to build repeat rider demand.

5,000+
drivers onboarded

500–1,000
rides per week

₹0
outside capital raised

Founder-reported, Oct 2026. Onboarded does not mean active.

THE MODEL

Zero commission. A flat driver subscription, currently waived. Revenue today: ₹0. Price and activation date to be set.

THE PRODUCT

Rider and driver apps on Android and iOS. Booking, live tracking, wallets and support, backed by operations tools.

THE GROWTH PLAN

Build repeat rides through local partners and referrals. Then pilot Any Store, errands and parcel pickups as new reasons to return.

THE MILESTONES

10,000+ rides per week, measured paid subscription adoption and riders returning weekly. Targets for the next 18 months.

₹5 crore

Proposed use: 50% rider acquisition, 33% team, 17% infrastructure and buffer. ~18-month runway target.
